Anticipated Merger Notification and Application for the Proposed Acquisition of Sepang Aircraft Engineering Sdn Bhd by Malaysia Aviation Group Berhad

Reference Number	:	CAAM/CEC/COMP/AMM/2026(01)
Application	:	Notification and application of anticipated merger under section 36U of Act 788
Applicant(s)	:	Malaysia Aviation Group Berhad
Receipt of Application	:	20 November 2026
Summary of Application	:	Malaysia Aviation Group Berhad ("MAGB") proposes to acquire 100% of the shares in Sepang Aircraft Engineering Sdn. Bhd. ("SAE") from Airbus S.A.S. ("Airbus"). Upon completion of the acquisition, MAGB will wholly own two maintenance, repair and overhaul ("MRO") service providers: (i) MAB Engineering Services Sdn. Bhd. ("MABES"); and (ii) SAE. Both companies will continue to operate independently within the MAGB group. The Applicants have submitted a public version of the application for public consultation. The document is available via the link below: Public Version of Notification and Application of Anticipated Merger Application between MAGB and SAE
Consultation	:	CAAM welcomes any party to submit written feedback on the anticipated merger application regarding the proposed acquisition of SAE by MAGB. Any written feedback shall be titled "Proposed Acquisition of SAE by MAGB" and submitted to CAAM by email to competition@caam.gov.my by 26 December 2026. If the feedback contains any confidential information, the party submitting the feedback shall clearly identify the confidential information and provide a nonconfidential version of the feedback (with the confidential information removed and replaced by the word ["CONFIDENTIAL"]). "Confidential information" refers to trade, business or industrial information that belongs to any person, that has economic value and is not generally available to or known by others.
