5. Pilih Exchange.

6. Masukkan maklumat seperti dibawah dan klik tanda ✓.

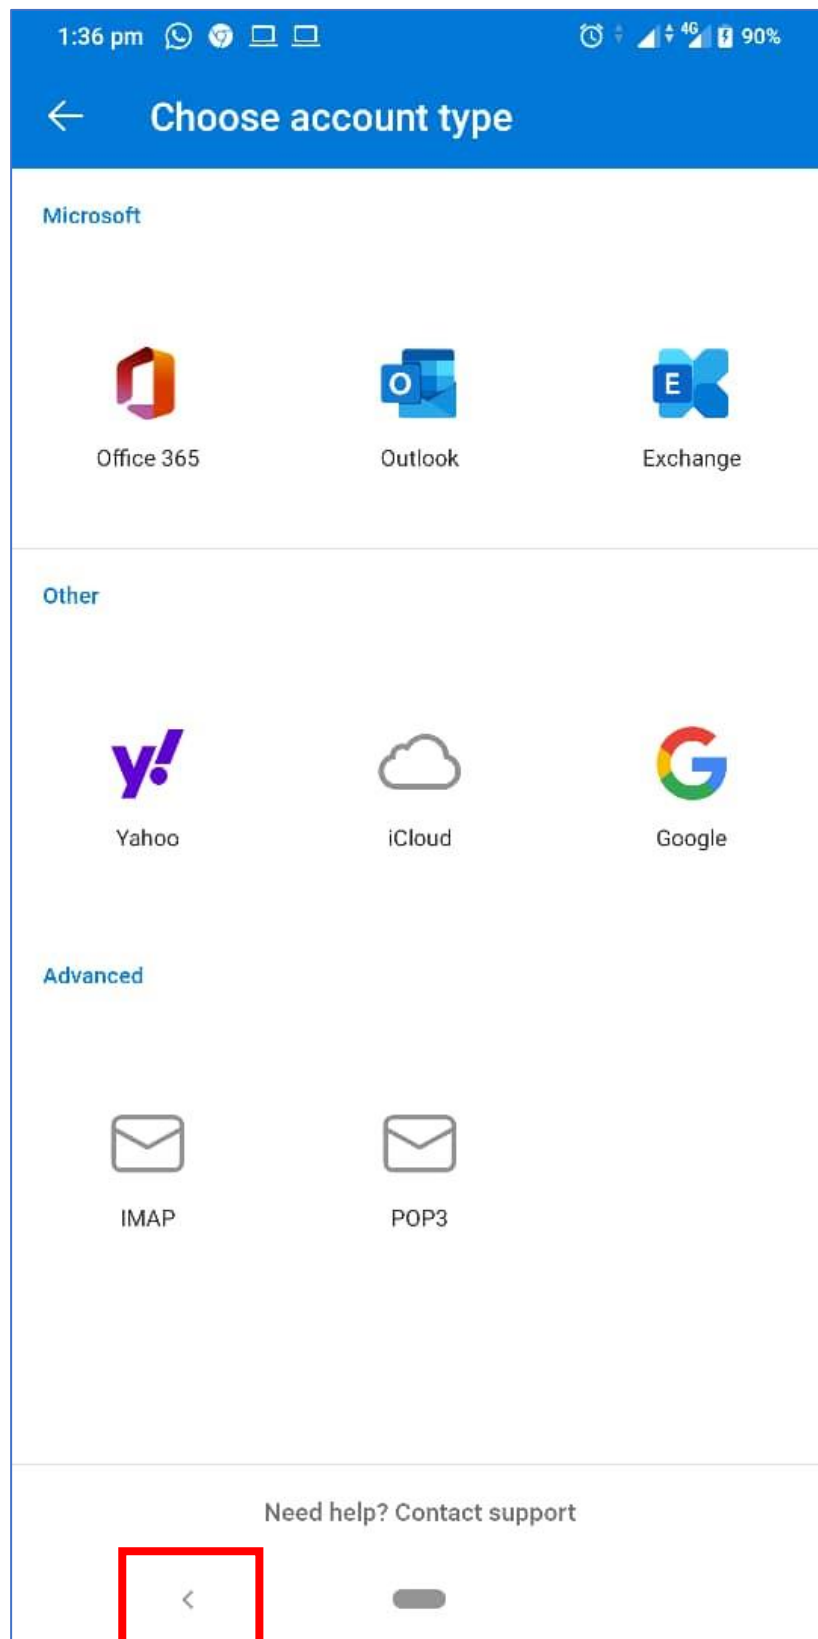

Server : **mail.caam.gov.my**
Domain\Username : caam\ (ID e-mel CAAM)

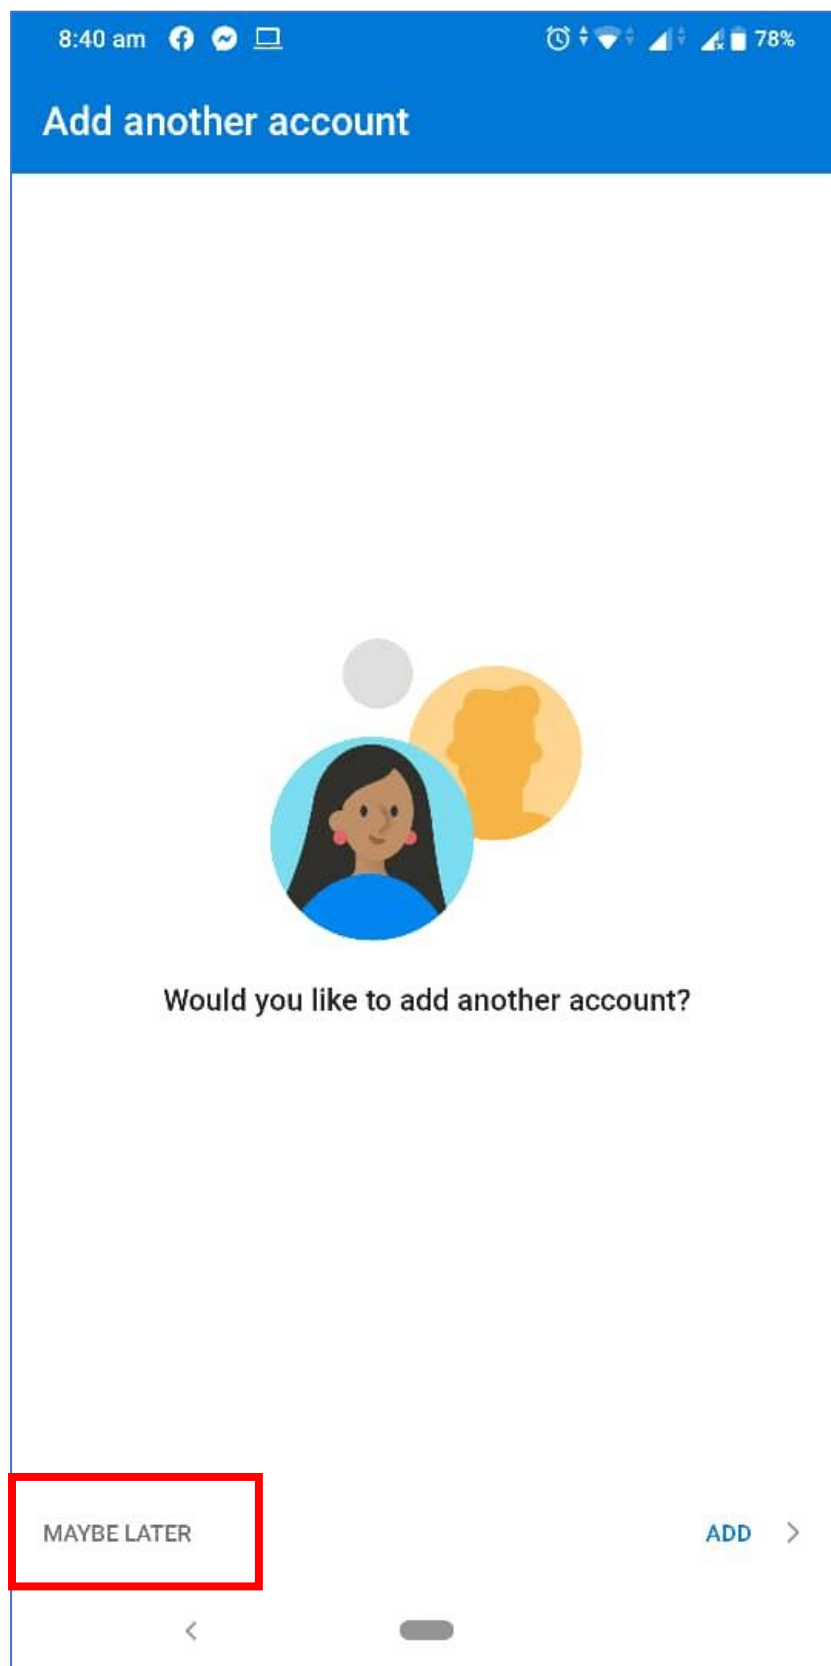

The screenshot shows a mobile application interface for connecting an Exchange account. The title bar is blue with a back arrow, the text 'Connect Exchange', a help icon, and a checkmark icon. The status bar at the top shows the time as 8:39 am, signal strength, Wi-Fi, and 78% battery. The form contains the following fields:

- Email Address: salman.suhaimi@caam.gov.my
- Server (example: server.domain.com): mail.caam.gov.my
- Domain\Username: caam\s Salman.suhaimi
- Password: [Redacted with dots]
- Description (example: Work): CAAM Mail

7. Sekiranya berjaya, anda akan dibawa ke paparan ini dan klik butang < (Back).

8. Klik Maybe Later sekiranya tiada lagi akaun e-mel yang ingin ditambah.

9. Proses muat turun e-mel ke dalam telefon akan dilakukan sekiranya proses berjaya.
