

PANDUAN TETAPAN E-MEL CAAM PADA TELEFON BIMBIT (iOS)

1. Muat turun Microsoft Outlook dari App Store. Buka aplikasi Outlook. Masukkan alamat e-mel dan klik **Add Account**.

2. Masukkan Password, Description dan **toggle on** Use Advanced Settings.

No SIM 10:57 AM 68%

< Not Exchange ?

 Exchange

Email Address
salman.suhaimi@caam.gov.my

Password

Description
CAAM Mail

Use Advanced Settings

Sign In

3. Masukkan maklumat seperti dibawah dan klik **Sign In**.

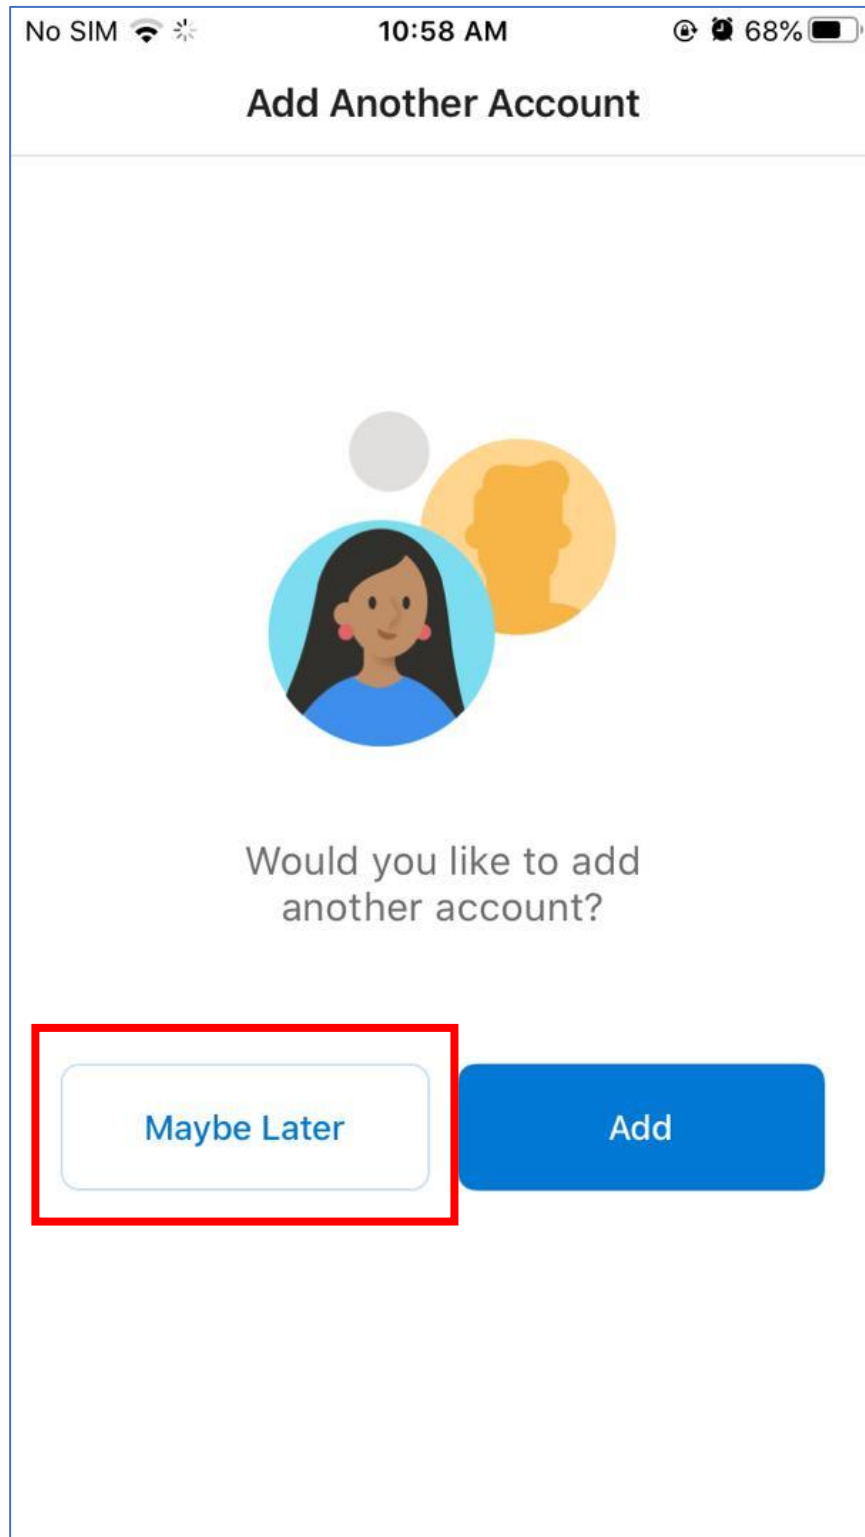

Server : **mail.caam.gov.my**
Domain : caam
Username : (ID e-mel CAAM)

The screenshot shows the Exchange account setup interface on an iPhone. At the top, the status bar displays 'No SIM', '10:57 AM', and '68%' battery. The page title is 'Not Exchange'. The Exchange logo is centered at the top. Below it, the following fields are filled out:

- Email Address: salman.suhaimi@caam.gov.my
- Password: (empty)
- Description: CAAM Mail
- Server: mail.caam.gov.my
- Domain: caam
- Username: salman.suhaimi

The 'Use Advanced Settings' toggle is currently turned off. At the bottom, a large blue button labeled 'Sign In' is highlighted with a red rectangular box.

4. Sekiranya berjaya, anda akan dibawa ke paparan ini dan klik **Maybe Later** sekiranya tiada lagi akaun e-mel yang ingin ditambah.

5. Sekiranya tiada lagi akaun e-mel yang ingin ditambah. Proses muat turun e-mel ke dalam telefon akan dilakukan sekiranya proses berjaya.
