| PRONUNCIATION | Pronunciation, stress, rhythm and intonation are influenced by the first language or regional variation frequently interfere with ease of understanding                                                                                        |     | Pronunciation, stress, rhythm and intonation are influenced by the first language or regional variation, but only sometimes interfere with ease of understanding                                                                                                                                                       |  | Pronunciation, stress, rhythm and intonation, though influenced by the first language or the regional variation, rarely interfere with ease of understanding.                             |  | Pronunciation, stress, rhythm and intonation, though possibly influenced by the first language or regional variation, almost never interfere with ease of understanding.                     |  |
| Remarks       |                                                                                                                                                                                                                                                |     |                                                                                                                                                                                                                                                                                                                        |  | •                                                                                                                                                                                         |  |                                                                                                                                                                                              |  |
| STRUCTURE     | Basic grammatical structures and sentence patterns associated with predictable situations are not always well controlled. Errors frequently interfere with meaning.                                                                            |     | Basic grammatical structures and sentence patterns are used creatively and are usually well controlled. Errors may occur, particularly in unusual or unexpected circumstances, but rarely interfere with meaning.                                                                                                      |  | Basic grammatical structures and sentence patterns are consistently well controlled. Complex structures are attempted but with errors which sometimes interfere with meaning.             |  | Both basic and complex grammatical structures and sentence patterns are consistently well controlled.                                                                                        |  |
| Remarks       |                                                                                                                                                                                                                                                |     |                                                                                                                                                                                                                                                                                                                        |  |                                                                                                                                                                                           |  |                                                                                                                                                                                              |  |
| VOCABULARY    | Vocabulary range and accuracy are often sufficient to communicate on common, concrete or work-related topics, but range is limited and the word choice often inappropriate. Is often unable to paraphrase successfully when lacking vocabulary |     | Vocabulary range and accuracy are usually sufficient to communicate effectively on common, concrete and work-related topics. Can often paraphrase successfully when lacking vocabulary in unusual or unexpected circumstances.                                                                                         |  | Vocabulary range and accuracy are sufficient to communicate effectively on common, and work-related topics. Paraphrases consistently and successfully. Vocabulary is sometimes idiomatic. |  | Vocabulary range and accuracy are sufficient to communicate effectively on a wide variety of familiar and unfamiliar topics. Vocabulary is idiomatic, nuanced sensitive to register.         |  |
| Remarks       |                                                                                                                                                                                                                                                |     |                                                                                                                                                                                                                                                                                                                        |  |                                                                                                                                                                                           |  |                                                                                                                                                                                              |  |
| FLUENCY       | Produces stretches of language, but phrasing and pausing are often inappropriate. Hesitations or slowness in language processing may prevent effective communication. Filters are sometimes distracting                                        |     | Produces stretches of languages at an appropriate tempo. There may be occasional loss of fluency on transition from rehearsed or formulaic speech to spontaneous interaction, but this does not prevent effective communication. Can make limited use of discourse markers or connectors. Filters are not distracting. |  | Able to speak at length with relative ease on familiar topics but may not vary speech flow as a stylistic device. Can make use of appropriate discourse markers or connectors.            |  | Able to speak at length with a natural, effortless flow. Varies speech flow for stylistic effect e.g. to emphasize a point. Uses appropriate discourse markers and connectors spontaneously. |  |

| Remarks       |                                                                                                                                                                                                                                                                                    |  |                                                                                                                                                                                                                                                                                                                                          |  |                                                                                                                                                                                                                                                                                                 |  |                                                                                                                                 |  |

| COMPREHENSION | Comprehension is often accurate on common, concrete and work-related topics when the accent or variety used is sufficiently intelligible for an international community of users. May fail to understand a linguistic or situational complication or an unexpected turn of events. |  | Accurate on common concrete and work-related topics when the accent or variety used is sufficiently intelligible for an international community of users. When the speaker is confronted with a linguistic or situational complication or an unexpected turn of events, comprehension may be slower or require clarification strategies. |  | Comprehension is accurate on common, concrete and work-related topics and mostly accurate when the speaker is confronted with a linguistic or situational complication or an unexpected turn of events. Is able to comprehend a range of speech varieties (dialect and/or accent) or registers. |  | Comprehension is consistently accurate in nearly all contexts and includes comprehension of linguistic and cultural subtleties. |  |
| Remarks       |                                                                                                                                                                                                                                                                                    |  |                                                                                                                                                                                                                                                                                                                                          |  |                                                                                                                                                                                                                                                                                                 |  |                                                                                                                                 |  |
| INTERACTION   | Responses are sometimes immediate, appropriate and informative. Can initiate and maintain exchanges with reasonable ease on familiar topics and in predictable situations. Generally inadequate when dealing with unexpected turn of events.                                       |  | Responses are usually immediate, appropriate and informative. Initiates and maintains exchanges even when dealing with an unexpected turn of events. Deals adequately with apparent misunderstandings by checking, confirming or clarifying                                                                                              |  | Responses are immediate, appropriate and informative. Manages the speaker/listener relationship effectively.                                                                                                                                                                                    |  | Interact with ease in nearly all situations. Is sensitive to verbal and non-verbal cues and responds to them appropriately.     |  |
| Remarks       |                                                                                                                                                                                                                                                                                    |  |                                                                                                                                                                                                                                                                                                                                          |  |                                                                                                                                                                                                                                                                                                 |  |                                                                                                                                 |  |
