FOR IMMEDIATE RELEASE**

**CAAM CONDUCTS INVESTIGATION ON PRIVATE HELICOPTER
REPORTED TO LAND IN SHAH ALAM, SELANGOR**

PUTRAJAYA – The Civil Aviation Authority of Malaysia (CAAM) has initiated an investigation on the operation of a private helicopter G2CA-Cabri, registration number N99UR that was reported to land in Shah Alam, Selangor on 17th April 2023. The investigation will be conducted in accordance with Civil Aviation Regulations 2016 and Civil Aviation Directives (CADs).

CAAM would like to remind all operators that full compliance to regulations and directives is mandatory to ensure public safety, failing which, enforcement action will be taken against the person.

CAPTAIN NORAZMAN BIN MAHMUD
Chief Executive Officer
Civil Aviation Authority of Malaysia
