

**MONDAY, 16 OCTOBER 2023
FOR IMMEDIATE RELEASE**

**RMAF TRAINING AIRCRAFT SKIDDED OFF RUNWAY AT
SULTAN ABDUL AZIZ SHAH AIRPORT, SUBANG**

PUTRAJAYA – The Civil Aviation Authority of Malaysia (CAAM) confirms an accident involving a Beechcraft B200T aircraft, registration number M41-02 at Sultan Abdul Aziz Shah Airport, Subang, Selangor on Monday 16 October 2023 at 12.54 p.m. The aircraft, operated by Royal Malaysian Air Force (RMAF), had landed and skidded off the runway upon touchdown. A total of four personnel were on board with no injuries reported.

The pilot in command had contacted Subang Air Traffic Control (ATC) Tower on issue pertaining to the aircraft's landing gear and requested for assistance to land. Subang ATC Tower immediately notified Subang Airport Fire and Rescue Services (AFRS) for Airport Emergency Plan (AEP) activation to provide emergency assistance to the aircraft upon landing.

The aircraft is in the process of removal and a full runway inspection will be carried out to ensure safe operations of the airport. The runway is expected to reopen for operations at 5 p.m. The safety investigation will be conducted in accordance with Part XXVI of the Civil Aviation Regulations 2016.

DATO' CAPTAIN NORAZMAN BIN MAHMUD
Chief Executive Officer
Civil Aviation Authority of Malaysia
