MANAGER, THREAT & RISK ASSESSMENT

Job Description

Responsible for leading the assessment and management of threats and risks to Malaysia's civil aviation system. The role ensures that aviation security decisions and policies are supported by current intelligence, structured risk assessments, and coordinated inter-agency collaboration, thereby enhancing the resilience and preparedness of the national aviation security framework.

Job Information

- **Department:** Aviation Security (Regulatory)
- **Job Position:** Manager
- **Type of Employment:** Permanent

Qualifications for Appointment

Candidates must possess the following criteria:

a) Citizenship

- Malaysian citizen.

b) Academic and Professional Qualifications

- A Bachelor's degree in Security Studies, Risk Management, Intelligence, or a related field from a higher education institution recognized by the Government.
- A recognised Master's degree in a relevant field will be an added advantage.
- At least five (5) years of relevant experience in aviation security, intelligence, threat and risk assessment or national security-related functions.

c) Skills and Competencies

- Strong analytical, critical thinking and intelligence interpretation skills.
- Knowledge of ICAO Annex 17, ICAO Doc 8973 and other applicable aviation security regulations.
- Familiarity with structured threat and risk assessment frameworks.
- Excellent coordination, communication and report-writing skills.
- Sound judgement, discretion and the ability to handle sensitive and classified intelligence with a high level of confidentiality.
