ASSISTANT MANAGER, STRATEGIC FINANCE

Job Description

To support the Director of Strategic Finance in driving CAAM's strategic financial management, planning, and performance analysis. This role focuses on delivering high-quality financial insights, managing development grant projects, supporting budgeting and forecasting processes, and strengthening financial sustainability through data-driven analysis and strategic recommendations.

The position plays a critical role in supporting decision-making at senior management level and ensuring alignment with CAAM's long-term organisational objectives and regulatory requirements.
