## **TERMS OF REFERENCE**

### **INTRODUCTION**

1. The Civil Aviation Authority of Malaysia ("CAAM"), formerly known as Department of Civil Aviation, was established on 19 February 2018 with the enactment of Civil Aviation Authority of Malaysia Act 2017 [Act 788].
2. The main objective of the establishment of CAAM is to function as an aviation technical regulatory agency and air navigational service provider as stated in Section 16 of Act 788.
3. As for the Malaysian Aviation Commission ("MAVCOM"), it was established on 1 March 2016 under the Malaysian Aviation Commission Act 2015 [Act 771]. Its establishment is to regulate economic matters relating to the civil aviation industry and to carry out the functions as stated in Section 17 of Act 711.
4. On 11 December 2019, the Cabinet has decided to dissolve the Malaysian Aviation Commission (MAVCOM) and transfer its economic regulatory and main functions to CAAM for the purpose of having one regulatory body for the country's civil aviation industry.

### **TERMS OF REFERENCE**

#### **I. OBJECTIVE**

5. The Consultant shall be engaged primarily as an independent third-party consultant to provide recommendations to CAAM on the most viable and sustainable option to ensure the rationalisation exercise between CAAM and MAVCOM is a success towards establishing an effective, functional and self-sufficient single civil aviation regulator in Malaysia based of scope of work stated in Part III.

#### **II. ROLE OF CONSULTANT**

6. The Consultant shall be required to fulfil all requirement stated in the scope of work and deliverable expected from this project. The consultant shall ensure the availability of experts to perform all the activities covered by the engagement and shall ensure that all its personnel, agents and representatives shall comply with confidentiality according to the Official Secrets Act 1972 (Act 88).

### III. SCOPE OF WORK

The Consultant shall perform the following activities, but not be limited to:

7. To develop appropriate organisational structure, human resource strategy and governance framework for the new entity, to include all functions prescribed under Civil Aviation Authority of Malaysia Act 2017 ("Act 788") and Malaysian Aviation Commission Act 2015 ("Act 771") as the functions and powers of the new entity, as well as ensuring efficiency and sustainability of new CAAM's operation.
8. Prepare a cost-benefits analysis and review of sustainability of the operation based on the following model:  
**Option 1**
  - Rationalisation between CAAM (Regulator and Operation) and MAVCOM**Option 2**
  - Rationalisation between CAAM (only Regulator) and MAVCOM; and
  - Operation wing to be separated and stand on its own as a different new entity.
9. Develop a new competitive salary/emolument package for the new entity.
10. Complete study on job analysis (competency matrix) – conduct job evaluation, review current job description, skills and expertise including completing a gap analysis and subsequently propose new job description/role (if required) for the new entity.

### ADDITIONAL REQUIREMENTS

#### **Consultant Requirements:**

11. The Consultant must have adequate relevant experience and expertise in the field to meet the objectives of this project. This includes experience and expertise in aviation industry, workforce planning, particularly in government organizational structure, understanding of regulatory sectors and the rationalisation process to meet the objective, scope, and deliverables of this project.
12. The Consultant shall submit to CAAM a full list and profile of personnel to be deployed in the project. All personnel shall be suitably qualified and

experienced to undertake the tasks assigned to them. Deployment of such personnel to this project is subject to the approval by CAAM, including security clearance.

13. For the purpose of this project, the Consultant shall ensure that no officers or former officers of CAAM and MAVCOM be employed.
14. Any rotation or replacement of personnel is subject to review and approval by CAAM.
15. CAAM reserves the sole right, with or without evidence, to order the Consultant to remove any personnel in the project due to reasons of incompetence, irresponsibility or any acts found detrimental to the progress of the project
16. The Consultant shall propose appropriate work schedule to undertake and complete the scope and deliverables of the project within the stipulated project period, including clearly outlined plan with project milestones and duration required.
